

South Yuba River Bridgeport Activities and Local Trail Map

**raging river, wildflower walks,
bird walks, gold panning, picnics,
beaches, gold country history**

Bridgeport, the crown jewel of the South Yuba River State Park, where Gold Rush history joins nature to bring interest to every visit. Enjoy a picnic where teamsters once brought supplies to gold and silver mines, hear the birds that sang to Maidu Native Americans, see the river canyon covered by wildflowers, hear the raging river, swim in quiet pools, cross the longest covered bridge, join Living History and Ghosts of Bridgeport celebrations, view exhibits in the Visitors Center and the Historic Barn, walk the Virginia Turnpike to Kneebone Cemetery. Come to Bridgeport for exploration and renewal.
